Audit working papers are used to document the information gathered during an audit. They provide evidence that sufficient information was obtained by an auditor to support his or her opinion regarding the underlying financial statements. Working papers also provide evidence that an audit was properly planned and supervised.

Working papers provide basic evidence of audit conducted in accordance with standard audit practices. They help the auditor in writing the report. They help the auditor in writing the report. The quality of audit work performed by the auditor can be judged by the character and contents of working papers prepared and maintained by the auditor.

Our working papers become part of the client's accounting records if they link the client's records (manual or cloud based) to the final accounts. I suppose if there are no final accounts then they do not belong to the client, although they've paid you to prepare them so unless something is wrong with them pass them over!
