It's not easy to be a teen girl, and it's definitely not easy parenting one. Parents everywhere struggle to respond appropriately to challenging behavior, hit-or-miss communication, and fluctuating moods commonly exhibited by teenage girls. More than previous generations,

File Type PDF

Conflict

today's teen girls face a daunting range of stressors that put them at risk for a range of serious issues, including self-harming behaviors, substance abuse, eating disorders, anxiety, and depression. Is it any wonder that parents are overwhelmed?

Parenting a Teen Girl is a guide for busy parents who want bottom-line

Resolution and tips that make sense—and work.

It also offers scripts to improve

communication, and exercises to navigate stressful interactions with skill and

compassion. Whether your teen girl is

struggling with academic pressure, social difficulties,

physical self-care, or

healthy development

- Understand what underlies her moods and behavior
- Implement strategies for positive results
- Communicate effectively about difficult issues
- Enjoy and appreciate time with your teen daughter
