Hello there, my last TV (Toshiba) has given up the ghost and I have bought a new Smart TV which is an Hitachi 32HEV200U from Argos. My Sky HD+ Plus remote (version 9) worked straight away with the standard code on the Toshiba, but for the life of me I cannot find the right code for this Hitachi TV.

Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

A bold, unforgettable tale of power, devotion, lust, and the timeless battle between good and evil

A definitive biography of St. Francis which can scarcely be surpassed.

Mary expected her seventeenth birthday to be a blowout to remember, courtesy of her best friends, fellow New York City prepsters Amy and Joon, and her doting boyfriend, Trick. Instead, the day starts badly and gets worse. After waking up in a mortifying place with a massive, unexplainable hangover, Mary soon discovers that nobody at school is even aware that it's her birthday. As evening approaches, paranoia sets in. Mary just can't shake the feeling that someone is out to get her—and, as it turns out, she's right. Before the night is over, she's been killed in cold blood. But murder is just the beginning of Mary's ordeal. Her soul gets trapped in a strange limbo, and she must relive the day of her death through the eyes of seven people—each of whom, she finds, had plenty of reasons to hate her. As Mary explores the mysteries of her world, discovering secrets that were hidden in plain sight while she was alive, she clings desperately to the hope that she can solve her own murder, change the past, and—just maybe—save her own life. With its blend of suspense, horror, fantasy, and realism, 7 Souls is an adrenaline rush of a thriller.

Leisure Program Planning and Delivery provides a comprehensive three-step plan for successful programming of leisure services and operational management of program systems in recreation and leisure service organizations. Grounded in contemporary professional practice and real-world applications, the book provides a systematic plan for students to learn the essentials of successful recreation programming, with examples of a variety of activities in community, outdoor, sport, cultural arts, and tourism sectors of the field.

Get four novels in Kim Harrison's #1 New York Times bestselling Hollows series as one e-book! This bundle includes Pale Demon, A Perfect Blood, Ever After, and The Undead Pool. Discover this great series at a special price! Pale Demon Condemned and shunned for black magic, Rachel Morgan has three days to get to the annual witches' conference and clear her name, or be trapped in the demonic ver-after . . . forever after. But a witch, an elf, a living vampire, and a pixy in one car going across the country? Talk about a recipe for certain disaster, even without being the targets for assassination. For after centuries of torment, a fearsome demon walks in the sunlight—freed at last to slay the innocent and devour their souls. But his ultimate goal is Rachel Morgan, and in the fight for survival that follows, even embracing her own demonic nature may not be enough to save her. A Perfect Blood Ritually murdered corpses are appearing across Cincinnati, terrifying amalgams of human and other. Pulled in by the PIB to help investigate, former witch-turned-day-walking demon Rachel Morgan soon realizes a horrifying truth: others want to create their own demons, and to do so they need her blood. She's faced vampires, witches, werewolves, demons, and more—but this time Rachel's toughest challenge might be humanity itself. Ever After The ever-after, the demonic realm that parallels our own, is shrinking, and it's up to witch-turned-daywalking-demon Rachel Morgan to stop it before the fragile balance between Inderlanders and humans falls apart. Of course, there's also the small fact that Rachel caused the ley line to rip in the first place. And the most powerful demon in the ever-after, the soul-eater Ku'Sox Sha-Ku'ru, has kidnapped her friend and her goddaughter as leverage in his quest for vengeance. If Rachel doesn't give herself up for execution, they will die. Rachel must team up with elven tycoon Trent Kalamack— a partnership fraught with perils of the heart and soul—to rescue those she loves. The Undead Pool Witch and day-walking demon Rachel Morgan has managed to save the demonic ever-after from shrinking, but at a high cost. Now, strange magic is attacking Cincinnati and the Hollows, causing spells to backfire or go horribly wrong, and the truce between the Inderlander and human races is shattering. Rachel must stop this dark necromancy before an all-out supernatural war breaks out. Rachel knows of only one weapon to ensure the peace: ancient elven wild magic, which carries its own perils. And no one knows better than Rachel that no good deed goes unpunished ...

One Size Does Not Fit All! Professional success, more often than not, means becoming a manager. Yet nobody prepared you for having to deal with messy tidbits like emotions, conflicts, and personalities—all while achieving ever-greater goals and meeting ever-looming deadlines. Not exactly what you had in mind, is it? Don't panic. Devora Zack has the tools to help you succeed and even thrive as a manager. Drawing on the Myers-Briggs Type Indicator, Zack introduces two primary management styles—thinkers and feelers—and guides you in developing a management style that fits who you really are. She takes you through a host of potentially difficult situations, showing how this new way of understanding yourself and others makes managing less of a stumble in the dark and more of a walk in the park. Her enlightening examples, helpful exercises, and lifesaving tips make this book the new go-to guide for all those managers looking to love their jobs again.

Curve Economics is a witty take on economics. It contains 35 short examples of economics applied to real life events, aided with the use of curves, equations and even a pangolin. I hope you enjoy reading about my trading days in nursery, how frugal I am with money and how an office stapler can cripple productivity.
