By Risuke Otake Katori Shinto-Ryu: Warrior Tradition ... Tenshinsh -den Katori Shint -ry is a comprehensive art comprised of martial training, strategic study, philosophy, and character development. Training methods include: kenjutsu (swordsmanship), iaijutsu (sword drawing), b jutsu (staff techniques), naginatajutsu (halberd techniques), ry t jutsu (two swords), kodachijutsu (short sword techniques), s jutsu (spearmanship), j jutsu (unarmed combat) and shurikenjutsu (art of throwing spikes).

CURRICULUM—Tenshinsho-Den-Katori-Shinto-Ryu-United-Kingdom The tradition has been handed down to the present day. The Shinbukan D j 's practice of Katori Shint -ry follows the teachings passed down from Hayashi Sakuichir Shihan to Hayashi Yazaemon Shihan, who was then succeeded by take Risuke Shihan (Shinbukan D j founder). Practice is currently led by take Nobutoshi Shihan, with instruction and supervision by take Risuke Shihan.

天真正伝香取神道流 神武館 | Tenshinsh —den-Katori-Shint —ry —Shinbukan ... Tenshin Sh den Katori Shint -ry [notes 1] is one of the oldest extant Japanese martial arts, and an exemplar of bujutsu. The Tenshin Sh den Katori Shint -ry was founded by Iizasa Ienao, born 1387 in Iizasa village, who was living near Katori Shrine at the time. The ry itself gives 1447 as the year it was founded, but some scholars claim circa 1480 is more historically accurate.[notes 2]

Tenshin Sh —den-Katori-Shint —ry —Wikipedia The Tenshinsh -den Katori Shint Ry is considered by the Japanese government to be the most distinguished of all Japanese martial traditions. This ry (tradition) is the source from which many classical Japanese martial ry have evolved, and consequently, from these ry , many kinds of bujutsu (martial arts) have appeared.

Katori Shinto-ryu: Warrior Tradition: Otake, Risuke ... Old School is a perfect companion both to Amdur's first book, Dueling with O-sensei, and our own "Classical Warrior Traditions of Japan" series. All the essays have been carefully revised and are illustrated with plentiful photographs and illustrations (masterfully drawn by Eric Johnson).

Old School: Essays on Japanese Martial Traditions The teachings of Tenshin Sh den Katori Shint -ry were designated an Intangible Cultural Asset of Chiba Prefecture in 1960, with take designated as guardian of the tradition.

Katori Shinto-Ryu: Warrior Tradition: Amazon.co.uk: Otake ... This book is a detailed introduction to the sword techniques, strategy, and esoteric studies of Katori Shinto-ryu, Japans most famous sword school.This present book is based on Otake Risuke's earlier three-volume work, The Deity and the Sword. The original Japanese has been re-edited, re-translated, and re-designed, with over 850 new photographs and new material on important aspects of the tradition.

Few of Japans ancient warrior traditions have survived the five-and-a-half centuries since their heyday. Tenshinsho-den Katori Shinto-ryu is the oldest extant classical Japanese martial art and one of the few that has maintained a comprehensive technical curriculum as well as studies in military strategy and prognostication. This book, by the traditions only master teacher, is a detailed illustrated introduction to the sword techniques, strategy, and esoteric studies of Katori Shinto-ryu, Japans most famous sword school.This present book is based on Otake Risuke's earlier three-volume work, The Deity and the Sword. The original Japanese has been re-edited, re-translated, and re-designed, with over 850 new photographs and new material on important aspects of the tradition.

This unique history of Japanese armed martial arts—the only comprehensive treatment of the subject in English—focuses on traditions of swordsmanship and archery from ancient times to the present. G. Cameron Hurst III provides an overview of martial arts in Japanese history and culture, then closely examines the transformation of these fighting skills into sports. He discusses the influence of the Western athletic tradition on the armed martial arts as well as the ways the martial arts have remained distinctly Japanese. During the Tokugawa era (1600-1867), swordsmanship and archery developed from fighting systems into martial arts, transformed by the powerful social forces of peace, urbanization, literacy, and professionalized instruction in art forms. Hurst investigates the changes that occurred as military skills that were no longer necessary took on new purposes: physical fitness, spiritual composure, character development, and sport. He also considers Western misperceptions of Japanese traditional martial arts and argues that, contrary to common views in the West, Zen Buddhism is associated with the martial arts in only a limited way. The author concludes by exploring the modern organization, teaching, ritual, and philosophy of archery and swordsmanship; relating these martial arts to other art forms and placing them in the broader context of Japanese culture.

True Path of the Ninja is the first authoritative translation in English of the Shoninki—the famous 17th century ninjutsu manual. Authors Antony Cummins and Yoshie Minami worked closely with Dr. Nakashima Atsumi, author of the most comprehensive modern Japanese version of the Shoninki, thus making this English translation the closest to the original scrolls. The information and insights found in this translation are invaluable for understanding the skills, techniques and mentality of the historical shinobi. Whether it involved tips for surviving in the wild, advice on intelligence-gathering techniques, or methods for creating chaos in the enemy camp, this ninja book unveils secrets long lost. Along with its practical applications, this book is an important guide to the mental discipline that ninjas must have to ensure success in accomplishing their mission. True Path of the Ninja covers the following topics: What a ninja is and what equipment he needs The skills of infiltration and information gathering How to disrupt and distract the enemy How to be mentally prepared to carry out ninja missions In addition to the translation of the Shoninki, this book also includes the first written record of the oral tradition "Defense Against a Ninja" taught by Otake Risuke, the revered sensei of the legendary Katori Shinto Ryu school of swordsmanship. Sensei reveals for the first time these ancient and traditional teachings on how the samurai can protect himself from the cunning wiles of a ninja. About this new edition: This second edition contains a new introduction by the translator, and has been thoroughly updated to reflect developments that shed new light on the original Japanese text.

"This book is a reference work on the history and technical legacy of a samurai era martial arts school called Shindo Yoshin Ryu, founded in 1864"--

Koryu, literally, 'old flow from the past,' refers to Japanese martial traditions that predate the sweeping cultural changes that followed the Meiji Restoration of 1868. They generally have a very different character and tone from modern martial arts, such as kendo, judo or aikido which followed. More than the study of antique weapons, self-defense or a form of athletics, these martial traditions are a cultural legacy and a window to another time and place. In the first edition of Old School, Ellis Amdur, a renowned martial arts researcher, and himself an instructor in two different surviving koryu, gave readers a rare glimpse into feudal Japanese warrior arts, both as they were in the past and as they live on today. Nearly a decade later, he returns to the subject in this new, greatly expanded edition, bringing readers inside the dojos of a number ancient schools, providing details analysis of the evolution and morphology of uniquely Japanese weaponry, addressing the myth and reality of Japan's naginata-wielding warrior women, and discussing the modern relevance of the blood oaths, magical ritual and mysticism that often permeate the koryu. Finally, he looks at the challenge of preservation and transmission, especially as more and more practitioners of the koryu exist outside of Japan itself. Writing with a combination of the initiate's passion for his subject, and the scientist's rigorous search for the truth, Amdur asks critically: do the ancient traditons still meet the objectives of their founders? Are they successfully passing their ancient legacy down to the next generation? Over a third larger than the first edition and filled with new artwork and photography, Old School: Japanese Martial Traditions Expanded Edition will be an invaluable addition to the library of old readers and new alike.

Since its first publication in 1991, this has become a true martial arts classic. Available again, it unfolds its lesson of mystery for a new audience. The combat techniques of the martial arts of India and the Far East have origins shrouded in mystery and practices protected by traditions of secrecy. In The Way of the Warrior, the world's great masters, experts dedicated to the purest expression of the martial arts, reveal the principles and philosophies that inform their discipline, training and technique. Richly illustrated throughout in full-colour.

The Samurai Sword is the essential illustrated guide to the Japanese way of the sword. Japan's famous samurai warriors were more than just soldiers — they were adherents to a strict code of honor who respected the deeper, spiritual meaning of the way of the sword. To the samurai, battle was sacred. This indispensable guide to theory and practice respects both the physical and spiritual aspects of martial arts practice with the katana. This sword book features: Beautiful, step-by-step photos and easy-to-understand text Guidance for selecting, maintaining, and using your sword Wisdom about the practical value of meditation Inspirational biographies of some of the greatest samurai swordsmen, men whose words and deeds embodied the true spirit of the samurai warrior Downloadable video Whether you're a beginner or an experienced swordsperson, this book will broaden your practical knowledge with detailed instruction on stances, cuts, guards, forms, and sparring techniques and strategy.

The first biography of this world-renowned and undefeated swordsman, The Lone Samurai follows the dramatic escapades of Musashi - author of The Book of Five Rings - from his initial victory at the age of 13 to his early 'retirement' at 30 to pursue a more spiritual path.
