Jesus invites you to pursue His four callings What does God want most from you? For too many believers, this question echoes troubling messages from the past. "Thou shalt not," "you need to do more," "why did you miss last night's meeting?" It's easy to feel overwhelmed, which can keep you from seeing what God truly desires to accomplish through you. Unfinished brings needed focus to your life by revealing your four callings from Jesus. Each calling is linked to a specific gift, making it possible for you to experience the life that Jesus desires for you. In Unfinished, the Savior tells you, in his own words, how to:

- Achieve greater intimacy with God
- Accelerate your personal growth
- Empower the spiritual growth of other believers
- Impact the lives of nonbelievers

If you are pulled in too many directions and distracted by the clamor of competing demands, let the author introduce you to the Christian life as Jesus designed it. No longer is it necessary to question what God wants most from you. You can set aside everything that is secondary in importance and devote yourself to just four callings. Now you can make the greatest impact possible in your world.

Hogan shows that God's way of managing money really works. Millionaire status doesn't require inheriting a bunch of money or having a high-paying job. The path to becoming a millionaire is paved with tools that you either already have or that you can learn. Take personal responsibility; practice intentionality; be goal-oriented, a hard worker; and be consistent. If you adopt this mindset, you, too, can become a millionaire. -- adapted from foreword and introduction

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon ' s breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn ' t succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon ' s key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon ' s insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *The Richest Man Who Ever Lived* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.
