Necroscope II: Vamphyri! begins where Necroscope left off and ratchets the tension up along the way. It also delves into the vampire legacy/mythology and explores the history of its vampire characters. While I've read some reviews that lament this or that it's set in the world of Cold War espionage, I relish it.

Necroscope is the title of a series of horror novels by British author Brian Lumley.. The term necroscope, as defined in the series, describes someone who can communicate with the dead (coined Deadspeak later in the series). Unlike necromancers, who here extract the knowledge they seek by brutal eviscerations of corpses, a necroscope can communicate with them as equals: peacefully and without ...
