The video shows footage of many calming signals, how dogs use them, and how you can use them to calm your dog. This is the video format and companion to the popular book, On Talking Terms with Dogs. Note - this is not a professionally filmed video rather one done by dedicated amateur dog people; however, it does a good job of illustrating the canine body language subjects it addresses.

I have read any number of books about dogs and dog behavior over the years, and Turid Rugaas' "On Talking Terms with Dogs: Calming Signals" is one of the most useful I have seen. She walks you through the basics of dog body language and learning to understand them, and helps you to work with dogs by using their own language.
