5-Steps, Barron's and the other review books are great resources for the end of the year, but the Tamm's Textbook Tools line accompanies kids all year long. They are filled with assignments that follow the regular text as they go through all 14 chapters and the appendix of Ciccarelli & White's 4th AP edition of Psychology*, published by Pearson. Teachers can copy vocab and chapter activities at will, and they are perfect if there is a substitute. When publishers started putting the majority of their content online, it opened a niche for

traditional paper assignments, which this workbook fills. It doesn't matter whether the textbook is written in ink or electrons, students still need to physically write and keep a notebook for themselves. Portfolios still matter. This independently made series challenges students to define the concepts, apply them, and give examples. Easily collectible, this item may also be used as a student consumable. Find TTT on FB.
