Spin was my third exposure to Robert Charles Wilson, a writer who has yet to disappoint me. He is not a "hard" sci-fi writer. Instead, the author writes about regular people and their ways of coping with major changes in their lives and environments.

### Spin (Spin, #1) by Robert Charles Wilson

--San Diego Union-Tribune on Spin "The long-anticipated marriage between the hard sf novel and the literary novel, resulting in an offspring possessing the robust ideational vigor of the former with the graceful narrative subtleties of the latter, might finally have occurred in the form of Robert Charles Wilson's Spin. Here's a book that features speculative conceits as brash and thrilling as those found in any space opera, along with insights into the human condition as rich as those ...
