StreetCreds is a look inside the world of street gangs and the cops that work them.. I worked the street for many years before I entered the Gang Task Force, joining it with the idea that I could rise to the level of violence of any banger I encountered - a really stupid idea.

Zach's story directly parallels that of each gang member written about in STREETCREDS. The insight given shows how much those who willingly put their lives on the line to protect the streets are affected by it. Kudos to Mr. Fortier who opens up without qualms and shows the world the good, the bad, the funny, and the ugly of police work.
