The Joy Of Pain Schadenfreude

The truth is that joy in someone else's pain—known by the German word schadenfreude—permeates our society. In The Joy of Pain, psychologist Richard Smith, one of the world's foremost authorities on envy and shame, sheds much light on a feeling we dare not admit. Smith argues that schadenfreude is a natural human emotion, one worth taking a closer look at, as it reveals much about who we are as human beings.
