enduringly dubbed “the

historians in the late

O'Malley identifies a  
problem in how historians  
have unreflectively used  
loaded terms like “reform”  
and “reformation” to  
describe the Catholic side  
in this period, and he wants  
to propose his own  
solution—the ...

### **Trent and All That: Renaming Catholicism in the Early ...**

There is little content about what happened at Trent and all that. It reads like a Doctoral Thesis on "A proposal for renaming the Counter Reformation". There is precious little about Trent and all that. There are a few pages on what the decrees accomplish, but it is sparse and far from exhaustive.
